## STUDY IN MAURITIUS

"Learning is not attained by chance, it must be sought for with ardor and diligence"

## MAURITIUS

The people of Mauritius are multi ethnic, multi-religious, multicultural and multilingual. Mauritius is highly ranked for democracy and for economic and political freedom. Mauritius has strong and friendly relations with various African, American, Asian, European and Oceania countries. The Mauritian Rupee is the currency of Mauritius. The country has attracted more than 32,000 offshore entities, many aimed at commerce in India, South Africa, and China and it has earned one of Africa's highest per capita incomes. Indian Nationals traveling to Mauritius will be granted a 60 day visa on arrival provided.

## MEDICAL EDUCATION IN MAURITIUS

Mauritius is a great place to study as the environment helps to uplift you making it a great experience. Medical Education in Mauritius is very popular among Indian students. Mauritius offered courses are MBBS/ MD/ MS for International students. Mauritius is a second home for India students because the culture, language, food and lifestyle is almost like India. One doesn't feel away from home in Mauritius. Internationalize the tertiary education, promote research and innovation and foster science and technology.

The colleges offer international quality of training and education. Students who have passed out from the Mauritius universities are placed in many of the advanced nations. The faculty at the colleges is reputed for their experience and dedication. Medical courses in the country are recognized by WHO, MCI.
